CENTRE CULTUREL RUSSE

Presentation of **CCR Kalinka's** Activities **in Russia** and Senegal - for 2024 -

NB: In Black for Senegal **In Bleu** for Russia Elsewhere Purple

2023 brought to the Center a **solid foundation of partners**, collaborative relationships in Russia, as in Senegal.

This allowed us to prepare **for 2024** with great enthusiasm! In addition to **the events that we organize** with our partners, we participate as '**Stand Senegal**' in several forums, festivals and championships. In other projects or events, we **support our compatriots in their selections** and effective participations administratively, socially and sometimes financially.

Finally, we invite **institutions, agencies, ministries, companies and associations wishing to participate** in our activities and our program to contact us quickly to take advantage of the opportunities presented.

The seats are limited !

* Some new projects are being revealed but details will come soon..
